Family life is smoother when dispositions are good...

You like it... it likes you

"Fresh up"—keep smiling!

When it looks as though good dispositions might become upset, it's a wise mother who serves chilled 7-Up. Difficulties are soon forgotten in the enjoyment that it brings. For 7-Up is a cheerful, good-natured drink . . . fresh and clean in flavor . . . and so satisfying that you just naturally feel like smiling. So keep your refrigerator well stocked with 7-Up at all times. Any nearby store that displays the 7-Up signs will supply you.
